If you need reasonable accommodation for any part of the application and hiring process, please notify the Human Resources Management Branch at (520) 295-2435. The decision on granting reasonable accommodation will be on a case-by-case basis.

AREA INFORMATION: The Tucson Area encompasses the Pascua Yaqui (pah.skwah ya.ke) and Tohono O'odham (to.ho.no aah.tum) Indian Reservations. The Sells Service Unit is the primary source of health care for the approximately 24,000 people of the Tohono O'odham Nation. The Service Unit consists of an American Hospital Association affiliated JCAHO accredited 34-bed hospital at Sells (65 miles west of Tucson). Two health centers - San Xavier Health Center located in Tucson and the Santa Rosa Health Center located in Santa Rosa; a field health station located in the community of Pisinimo with a combined caseload of approximately 70,000 outpatient visits annually and a community health program. The SSU also provides an environmental health program, which is responsible for construction and maintenance of sanitation facilities. The Sells Service Unit has a community focused health care delivery program and works in close association with the Tohono O'odham Tribal Health Committee and Tribal Health Department.

Tucson - Arizona's second largest metropolitan area is home to nearly 600,000. Tucson is one of the oldest continuously inhabited sites in North America, steeped in a rich heritage of Indian and Spanish influence. It affords entertainment, recreation and shopping and cultural opportunities. The arid desert climate receives an annual rainfall of 7 inches with average temperatures ranging from 50° in winter months to over 100° in summer.

In other than the above, the Department of Health and Human Services is an equal opportunity employer. The Department does not discriminate in employment decisions on the basis of race, color, religion, gender, national origin, age, disability or sexual orientation.

Job Title: Clinical Nurse, GS-0610-09

Announcement Number: TNIHS-05-36

Section 231 of the Crime Control Act 1990, Public Law 101-647, requires that employment applications for Federal child care positions contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge.

Section 408 of the Miscellaneous Indian Legislation, Public Law 101-630, contains a related requirement for positions in the Department of Health and Human Services that involve regular contact with or control over Indian children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere or guilty to certain crimes.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment:

- 1) Have you ever been arrested for or charged with a crime involving a child? YES _____ NO _____
[If YES, provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence and the name and address of the police department or court involved.]

- 2) Have you ever been found guilty of, or entered a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; or crimes against persons; or offenses committed against children? YES _____ NO _____
[If YES, provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence and the name address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fines of up to \$2,000 or 5 years imprisonment, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.
